Guiding questions for the online Workshop:

1. What position do municipalities have in the respective national system?
2. What role do municipalities play in the implementation of legislation initiated by the European level?
3. What changes result for municipalities from their integration into the EU system?

4. Do municipalities set up their own EU departments and, if so, where in the municipal administration?
5. Do municipalities become active in EU affairs on their own initiative?
6. Do municipalities raise EU funds and if so, in which areas?
7. Do municipalities maintain (joint) offices in Brussels in order to exert influence?
8. What possibilities do municipalities have nationally to influence the EU policy of the member state?
9. How do municipalities network with each other (across national borders)?
